***Information on the organization of the Danish Veterinary and Food Administration**

Please note that the address given under "Name, address and code number of control body/authority:" may differ from the address given in the stamp of the issuing control body/authority. This is due to the organization of the Danish Veterinary and Food Administration, where for instance the regional food centres have several offices.

For further information on the organization please see

<http://www.uk.foedevarestyrelsen.dk/Aboutus/Organization/forside.htm>

Please also note, that the code numbers of the Danish control authorities have changed from 24. June 2010. The previous code numbers (DK-Ø-1 to DK-Ø-10) can be used for organic products placed on the market until 1. July 2012.
